FACE & WEAR REFERENCE

ENVIRONMENT REFERENCE

LIGHT REFERENCE

OVERALL LOOK

- Muted
- Natural
- Weathered
- Functional
- Blends with the forest
- Non-reflective

ART DEPARTMENT BRIEF

The palette belongs to rain, bark, mud, smoke, patina, and repaired workwear. Dark clothing must separate from the environment through value contrast, rim light, wet highlights, and material variation.

APPROVED PALETTE

- Charcoal #2B2A26
- Ash brown #3A352F
- Dust brown #544E42
- Faded olive #4F563F
- Weathered black #2E2F33
- Natural bone #BDAF95

SURFACE LANGUAGE

- Flexible scale mesh
- Worn reinforced leather
- Coarse technical fabric
- Weathered matte metal
- Rope and natural fibre
- Stitching, patches, mud, patina

LIGHT & CONTRAST

- Lift forest midtones behind silhouette
- Keep clothing dark but not crushed
- Use wet edge highlights
- Warm firelight only when motivated
- No dramatic coloured light without story purpose

PRODUCTION NOTES

- Production Design Bible governs all choices.
- Generated artwork is visual reference; PDF typography is canonical.
- Review against Character-Lock.md before approval.
- Print size: A2 landscape, 300 DPI equivalent.

DEPARTMENT SIGN-OFF

☐ Costume

☐ Weapons

☐ Hair

☐ Makeup / SFX

☐ Production Design

Muted. Natural. Weathered. Functional. Non-reflective.
