ART DEPARTMENT BRIEF

Shada carries only proven equipment. Her hero knife is personal, old, repeatedly sharpened, and maintained daily. Her blaster is compact, modified, reliable, and immediately accessible.

COMBAT KNIFE

- Survival tool first; weapon second
- Old blade with repeated sharpening
- Wrapped, repaired grip
- Secure silent sheath
- Never leaves her side

COMPACT BLASTER

- Mechanically believable
- Modified from long use
- Easy to conceal and draw
- Scratched finish and replacement parts
- No oversized silhouette

UTILITY KIT

- Rope and climbing hardware
- Lock picks and field tools
- Small repair kit
- Habitual belt placement
- No datapad or unnecessary gadgets

ARRY SYSTEMS

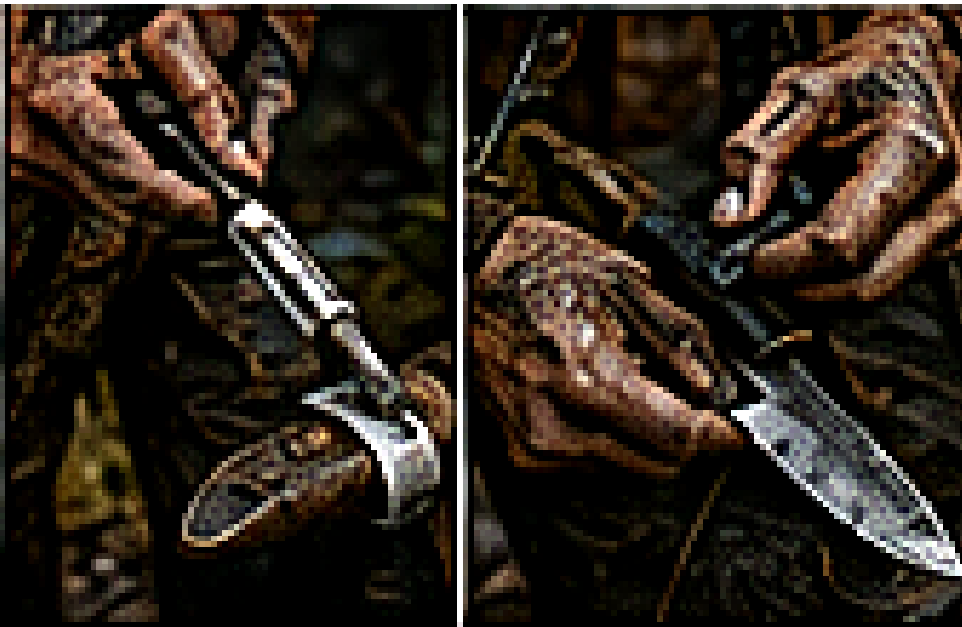

elt rig configuration. Everything has a place.
Weapons positioned for silent access.

SCALE & PROP REFERENCE

All items scaled to Shada (5'5" / 165cm)
Compact. Light. Always accessible.

MAINTENANCE

Weapons cleaned and maintained daily.
A clean weapon is a reliable weapon.
