

# CAPTAIN JASU MAKE-UP & CONTINUITY BOARD

BOARD 05 | ASSET CH-005 | VERSION 1.0 | STATUS IN PROGRESS | 2026-08-03

## THE HORNS

- Pale curved bone projecting up and outward from both sides
- Long and sweeping on one side shorter points on the other
- ASYMMETRIC and that asymmetry is deliberate
- Worn matte yellowed with age never polished never carved
- Trophies off creatures the animal brought down
- Never set in metal a trophy and not jewellery

## THE HAIR

- Long and very dark swept UP AND BACK off the face
- A large rolled worked mass held high on the head
- The length falling loose behind and to the sides
- A BUILT shape not a hairstyle anyone maintains daily
- Pale horns against very dark hair is the whole effect

## SKIN AND FACE

- Baseline human no prosthetics no species treatment
- Real skin pores fine lines uneven tone asymmetry
- Weathered by living outdoors not by age she is twenty eight
- Nothing covers her face or her brow
- Likeness comes from the actor photograph and nothing else

## CONTINUITY ACROSS THE SHOOT

- One costume six scenes - 9, 19, 20, 23, 24, 25
- Dirt increases across the shoot the headdress does not change
- Mud to the knee from Scene 9 onward she never leaves the forest
- Blaster on her RIGHT hip whistle at her throat leash at her belt in every scene
- She is never indoors and never on a ship
- NEVER A BIG HEAD - normal adult proportion on a 155 cm woman
