

LAYER SYSTEM

- Flexible scale-textured undersuit
- Breathable base layer
- Crossed harness and light plates
- Outer panels break the silhouette
- Quiet wraps and lightweight boots

CONSTRUCTION RULES

- Buildable seams and fasteners
- Nothing floating or ornamental
- Asymmetry must remain functional
- No snagging or rattling components
- Repairs and replacements remain visible

EXPOSED SKIN PURPOSE

- Freedom of movement
- Heat and weight reduction
- Sensory function
- Makes inherited scales legible
- Never decorative or sexualised

FABRICATION NOTES

- Matte and low-noise surfaces
- Separate dark layers by texture and value
- Test harness during crouch and climb
- Knife and holster remain reachable
- Weathering follows contact and repair history
