

EXPRESSO

MOVEMENT PRINCIPLES

- Economical and controlled
- Low profile and quiet footwork
- Patient before explosive action
- Predatory, never theatrical
- Uses terrain, shadow and distance

ACTOR NOTES

- Breathe low and quiet
- Scan before speaking
- Shift weight onto the balls of the feet
- Avoid military posture
- Warmth appears only around the crew

FACIAL LANGUAGE

- Neutral alertness
- Suspicion without panic
- Focused assessment
- Protective toward the helpless
- Cold, lethal calm toward the hunted

ENVIRONMENTAL BEHAVIOUR

- Notices tracks, scent, weather and wildlife first
- Stillness is active, not passive
- Checks exits before settling
- Studies strangers before committing
- The forest is an ally
