

FIRST IMPRESSION

- Belongs in the wet forest
- Notices everything
- Wastes no movement
- Could disappear at any moment

CHARACTER LOCK

- Subtle scales and reptilian eyes
- Functional exposed skin
- Compact blaster and knife
- Light scavenged vital-area armour
- Quiet and dangerous while still

STORY FUNCTION

- Assassin, thief, scout and tracker
- Reads terrain, scent and access routes
- Strikes from advantage
- Integral member of the mercenary family

VISUAL PRINCIPLE

- Mostly human; never fully reptilian
- Predator rather than soldier
- Practical construction and visible repairs
- Dark clothing must remain separated from the background

DESIGN DRIFT - DO NOT

- Generic human scavenger
- Heavy tactical or medieval armour
- Glamour pose or sexualisation
- Datapad or gadget overload
- Crushed blacks that hide the silhouette
