SURFACE LANGUAGE

- Flexible scale mesh
- Worn reinforced leather
- Coarse technical fabric
- Weathered matte metal
- Rope and natural fibre
- Stitching, patches, mud, patina

LIGHT & CONTRAST

- Lift forest midtones behind silhouette
- Keep clothing dark but not crushed
- Use wet edge highlights
- Warm firelight only when motivated
- No dramatic coloured light without story purpose

DESIGN INTENT

The palette belongs to rain, bark, mud, smoke, patina, and repaired workwear. Dark clothing separates from the environment through value contrast, rim light, wet highlights, and material variation.
