✗ Exposed reptilian

✗ Bright colours

✗ High-tech gadget

✗ Medieval / fantasy

✗ Oversized weapons

✗ High-tech gadgets

✗ Glamour poses

DESIGN INTENT

A compact mercenary infiltrator: human first, with restrained serpentine ancestry. Predator rather than soldier; she survives through observation, concealment, timing, and control of distance.

FIRST IMPRESSION

- Belongs in the wet forest
- Notices everything
- Wastes no movement
- Could disappear at any moment

CHARACTER LOCK

- Subtle scales and reptilian eyes
- Functional exposed skin
- Compact blaster and knife always present
- Light scavenged vital-area armour
- Quiet, economical, dangerous while still

STORY FUNCTION

- Scout, tracker, thief, assassin
- Reads terrain and access routes
- Strikes from advantage
- Integral member of the mercenary family
