

# CAPTAIN JASO COSTUME CONSTRUCTION BOARD

BOARD 02 | ASSET CH-005 | VERSION 1.0 | STATUS IN PROGRESS | 2026-08-03

## THE MANTLE - THE SIGNATURE

- Stands proud of the body never draped
- Reaches past the shoulder point then angles down the upper arm
- Rises at the back into a stand collar closed at the throat
- Ribbing runs through it and holds the shape
- The one thing a viewer will remember

## SCALE - READ THIS FIRST

- 155 cm and twenty eight the smallest adult in the film
- Baylan stands 43 cm taller than her
- Her own animal outweighs her
- Every image will drift her taller check it every time
- The scale plate is the most important image in this pack

## WHAT IS TRUE INSTEAD

- Closed high collar square shoulder cinched waist
- Well made and in a forest for weeks
- Battered faded mended worn by somebody who fights in it
- Nothing is insignia and nothing was issued
- She is obeyed because of the beast and for no other reason

## THE HEADRESS

- Pale curved bone horns set into long dark hair WORN DOWN AND LOOSE
- Two only one each side each a third to a half the height of her head
- Alike in curve colour and size and NOT the same object never mirrored
- Trophies from what the animal kills bone off creatures it brought down
- Worn matte and yellowed never polished never carved never set in metal
- The only ornamental object on her and it displays the beast's power not hers
- THE ONLY PALE THING ON HER - if the pallor has spread the image is wrong
