

CAPTAIN JASU MAKE-UP & CONTINUITY BOARD

BOARD 05 | ASSET CH-005 | VERSION 1.0 | STATUS IN PROGRESS | 2026-08-03

THE HORNS

- WORK IN PROGRESS - the final horn shape is not signed off yet
- EXACTLY TWO one each side pale curved bone
- Each a third to a half the height of her head
- Alike in curve colour and size and NOT the same object
- Never a mirrored pair and never three or a cluster
- Smooth never ridged never banded like a rams horn
- Worn matte yellowed with age never polished never carved
- Trophies off creatures the animal brought down not jewellery

THE HAIR

- Long very dark and WORN DOWN AND LOOSE over the shoulders and back
- Swept back off the face field worn and slightly dishevelled
- NEVER piled up NEVER a bun NEVER a half up knot NEVER styled
- The horns sit in loose hair not in a built shape
- Pale horns against very dark hair is the whole effect

SKIN AND FACE

- Baseline human no prosthetics no species treatment
- Real skin pores fine lines uneven tone asymmetry
- Weathered by living outdoors not by age she is twenty eight
- Nothing covers her face or her brow
- Likeness comes from the actor photograph and nothing else

CONTINUITY ACROSS THE SHOOT

- One costume six scenes - 9, 19, 20, 23, 24, 25
- Dirt increases across the shoot the headdress does not change
- Mud to the knee from Scene 9 onward she never leaves the forest
- Blaster on her RIGHT hip whistle at her throat leash at her belt in every scene
- She is never indoors and never on a ship
- NEVER A BIG HEAD - normal adult proportion on a 155 cm woman
